Feelin' like we're ready to kick tonight  
No hesitatin', bodies aching  
Lookin' for some action, satisfaction alright  
Chargin' vein pace as active as one hundred  
solod proof  
Megaton leviathan load ready to hit the roof  
You better watch out and hold on tight  
We're headin' your way like dynamite  
Deliverin' the goods  
Oh, we don't pull no punches  
We alm where the crunch is  
Bound to do the most damage to your brain  
If you're lookin' for it mellow  
You're nothin' more than yellow  
Gonna do it again and again  
We'll beat you to submission  
So you might learn your lesson  
'Cuz there ain't nobody here to defend ya  
Faster, higher  
Till it seems that we're gonna break  
Shootin', further

Givin' more than you're ever gonna take

Leavin', your heads

Crashed out on the floor

Beggin' for mercy

Be careful or we'll do it some more

You better watch out and hold on tight

We're headin' your way like dynamite

Deliverin' the goods
