Piece Of Me

Sleazin' in the city,

You know I'm lookin' for a fight.

Got my heels and lookin' pretty,

On a Saturday night, night, night.

Good God, bless my soul,

I need a fix of rock 'n roll.

Come on baby you gotta wait and see.

You better hurry, To get a piece of me.

Caught a lonely lady,

Crying on a cigarette.

I got nasty, nasty habits,

And that's all she's gonna get from me.

One for the money, two for the show,

Round and 'round and 'round we go.

Take a look at what you might need,

You better hurry, To get a piece of me.

I don't have looks, I don't have money,

But I know one thing's for sure,

One night ain't enough of my love,

She wanted more, more, more.

Sleazin' in the city, You know I'm lookin' for a fight.

I got my heels and lookin' pretty,

On a Saturday night, night, night.

One for the money, two for the show,

'Round and 'round and 'round we go.

Take a look at what you might need.

You better hurry, To get a piece of me,

Get a piece of me! To get a piece of me
