Bolan, Hill, Snake)

Shy a quarter's headroom

I saw the

Half-moon was burning down

Play with your reflection cause

An infection is going around

Dive head-on into me,

Dive head-on into me,

Dive head-on into me,

Dive head-on into me.

Meet my neighbor's widow, a black and

Bluedoe, she's up a tree

Trip, the lightning spastic

Captain Fantastic. The nineteen seventies

Dive head-on into me,

Dive head-on into me,

Dive head-on into me,

Dive head-on into me.

Bury the news with the views from behind the door

Rattle the bones with the drones at the

Corner store -- see them for myself

Commies, kinks and masochists

Weirdos, love and homicide

Witches, freaks and 45s

Kick a painted pony let the spinning wheel ride
