Sebastian Bach/Rachel Bolan/Snake)

You and I together in our lives

Sacred ties would never fray

Then why can I let myself tell lies

And watch you die every day

I think back to the times

When dreams were what mattered

Tough talking you naivete

Yo said you never let me down

But the horse stampedes and rages

In the name of desperation

CHORUS

Is it all just wasted time

Can you look at yourself

When you think of what

You left behind

Is it all just wasted time

Can you live with yourself

When you think of what

You left behind

Paranoid delusions they haunt you

Where's my friend I used to know
He's all alone
He's buried deep within a carcass
Searching for a soul
Can you feel me inside your heart
As it's bleeding
Why can't you believe you can be loved
I hear you scream in agony
And the horse stampedes and rages
In the name of desperation

CHORUS

You said you never let me down
But the horse stampedes, it rages
In the name of desperation

CHORUS

The sun will rise again
The earth will turn to sand
Creation's colors seem to fade to grey
And you'll see the sickly hands of time
Will write your final rhyme
and end a memory
I never thought you'd let it get this far, boy
