[verse1:]

Trying to let you know what it's all about  
I know you wanna leave  
so many little games silly people play  
don't act foolishly  
I'm so real, so soft to touch  
my love my kiss so sweet, glorious  
the look on your face  
anyone can see  
no one does it like me

[chorus]

oh no, oh no can't nobody  
do it like me, uh uh oh no  
can't nobody do it like me [repeat]  
uh uh and get right down to it like me  
uh uh, na na na na na na na

[verse2:]

I knew you'd be the one to come out  
your worth, I need you please to relax  
I know I messed up but if you leave me now  
ain't no coming back, no more no me no you  
no us no kiss no hugs , tell the truth  
see I'm the only one that can love you  
babe, you're not that big a fool

[chorus:]

oh no, oh no can't nobody  
do it like me, uh uh oh no  
can't nobody do it like me [repeat]  
uh uh and get right down to it like me  
uh uh, na na na na na na na

can't nobody but me  
do the things that I do  
to you the things that I do  
to you [repeat]
