I want to be a godly man  
Who lives and loves in a new way  
Full of your Spirit  
& led by your hand  
I want to be a godly man  
Everybody's trying to find great success  
Climb the ladder & get yourself the right address  
Finally reach the highest rung, think you've got it all  
What a shame if you find your ladder's leaning 'gainst  
the wrong wall  
Chorus  
In a world where right seems wrong and wrong seems  
right  
I gotta choose each day to walk in heaven's light  
I want to know His precious love and live in His grace  
And I want to bring a smile to my Creator's face  
Chorus  
In this kind of world right can seem wrong and wrong  
seem right  
So I gotta choose each day to walk in heaven's light
