(Let's go right there, partner.) (Roll?)

(Hit it!)

All night long (all night long)
All night long (all night long)
All night long (all night long)
All night long, baby now (all night long)
All day too (all day too)
I wanna ride with you (I wanna ride with yoU)
Ooh, all night long (all night long)
All night long, baby (all night long) Hit it! Hit it!

Let's go bare back ridin' baby, yes.
Come on baby, let's go bare back ridin' right now.
Saddle on her back, bit in her mouth
I'll head north, you head south
And if you lose me, you know you've just blew it, you
blew it
Don't blow it, don't blow it, don't blow! Oh, blow it to
me, baby.
Oh, yeah! Blow it to me, baby

Get on that little pony right now, baby, yes.
You got to get on that pony, you've got to ride.
With your hat on your head, boots on your feet
Spurs on your heels, you look so sweet
And this little pony rides so sweet, so sweet, so sweet,
so sweet
Sweet, yeah, whoa, bare back, yeah yes
Going to the bare back, get on that pony and ride!
Ohhhh!

Get on, get on, get on, get on, get on, get on, get on
down, get on down
You gotta get on, get on, get on down
More saddle on her back, bit in her mouth
I'll head north, you head south
If you lose me, you know you've just blew it, you blew it
Don't blow it, don't blow it, don't blow!
Oh, blow it, baby. Oh, yeah!

Well, I wanna ride.
Yea-ea-ea-ea-eah, I wanna ride.
I don't wanna ride, English-style.
I don't wanna ride, Western-style, oh no.
I wanna ride, like Geronimo used to ride.
I wanna ride, like Sittin' Bird used to ride.

Yes, I'm talkin' 'bout bare back ridin', bare back ridin'.
All night long, come on now, baby, all day too
Come on baby and let me ride, ride with you
And let me ride, ride with you
And come on, come on, come on baby
Come on, come on, come on baby
Come on, come on, come on baby
I'm in a sunset, late in a week, no
All night long, come on baby
All night long, come on, come on, baby
All night long, yeah yeah
All night long, now baby now
Come on, come on, come on, come on
Grab that pony and ride,
Grab that pony and ride,
Grab that pony and ride,
Grab that pony and ride,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony,
Grab that pony, grab that pony...

Giddy up!
