Ooh, ooh, ooh  
Ooh, ooh, ooh

Don't let no one  
No one get you down  
'Cause if they do  
If they do I'll be around

I want you near  
Standing here by my side  
So my dear wife  
Those tears from your eyes

Ooh, ooh, ooh  
Ooh, ooh, ooh

Don't let no one  
No one get you down  
'Cause if they do  
If they do I'll be around

I want to see  
You round me all the time  
I want you to know that I am yours  
And you are mine

Let nobody get you down  
(Hey)  
Let nobody get you down  
Let nobody get you down

Let nobody get you down  
Let nobody get you down  
Let nobody get you down  
(You keep me happy all the time)

Let nobody get you down  
(You keep me happy, happy all the time)  
Let nobody get you down  
(You, you, you, you, you, you, you)
