Me and Baby Brother  
War

Me and baby brother  
Used to run together  
Me and baby brother  
Used to run together

Welcome one another  
Headed for the corner  
Welcome one another  
Headed for the corner

Shiftin on his mind  
Is like drinking funky wine  
By the river  
Chippin on his mind  
Is like drinking funky wine  
By the river

Me and baby brother  
Used to run together  
Me and baby brother  
Used to run together

Welcome one another  
Headed for the corner  
Welcome one another  
Headed for the corner

I remeber the days  
We used to fight together  
I remember the days  
We used to fight together

Me and baby brother  
Used to run together  
Me and baby brother  
Used to run together

Hang on, baby brother, oh  
Say glory hallelujah (?), hey, hey, hey

Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Your my baby brother  
Love my baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Love my baby brother  
Your my baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother
