Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

I seen you 'round for a long, long time, yeah
I remembered you when you drink my wine

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

I've seen you walkin' down in Chinatown
I called you but you could not look around

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

I pay my money to the welfare line
I see you standing in it every time

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

The color of your skin don't matter to me, ow
As long as we can live in harmony

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

I'd kinda like to be the President, yeah
So I can show you how your money's spent, ooh

Why can't we be friends?
Why can't we be friends?

Why can't we be friends?
Why can't we be friends?

Sometimes I don't speak bright, alright
But yet I know what I'm talking about

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
Why can't we be friends?

I know you're working for the C.I.A.
They wouldn't have you in the mafia

Why can't we be friends?
Why can't we be friends?
Why can't we be friends?
