(Baby, oh my little baby)  
(You're no stranger, you're no stranger)  
(Baby, oh my little baby)  
(You're no stranger, you're no stranger)  
(Baby)  
Oh, if you ever leave me  
(Oh my little baby)  
I know I'm crazy, baby  
(You're no stranger)  
I want you here by my side  
(You're no stranger)  
You know I will keep you satisfied  
(Baby)  
Mmmm, my little little baby  
(Oh my little baby)  
Oh, God knows I love you  
(You're no stranger)  
Come and take my hand  
(You're no stranger)  
And walk with me to a Promised Land  
(Baby)  
Come on, come on, come on, come on, baby  
(Oh my little baby)  
Mmmmmm  
(You're no stranger)  
I love you  
(You're no stranger)  
Just a little bit
