Sitting up here on my own  
Need some time so I'm all alone  
Reminiscing coz I'm missing you  
Don't understand it  
Situation is not my wish  
Wasn't supposed to be like this  
Remember time hurry up  
Quick uh  
Tell me  
Why did last night  
Have to happen  
Why did you have to creep with her  
Now it's too late  
To say I'm sorry  
And I can't avoid the hurt  
My heart is breaking  
Ex boyfriend  
That's what you are to me again  
You think you're so slick but you're gonna miss this  
Coz you know I found out you're creepin  
Ex boyfriend

Don't wanna have to see you again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

Friday night where do I go

Hit the halter after my show

Force of habit I pick up the phone

And try to call you

Tell me what was I thinkin of

Where was you when I needed love

Blues the colour I'm thinkin of

Baby ohhh...

Why did last night

Have to happen

Why did you have to creep with her

Now it's too late

To say I'm sorry

And I can't avoid the hurt

My heart is breaking

Ex boyfriend

That's what you are to me again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

Ex boyfriend

Don't wanna have to see you again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

My heart is breakin

Sweet talk, so cool

I thought you meant the things you said

All the promises you made to me

You're messin with my head

Still I'll get by

Can't be your fool, never be your fool

Never no more

I've told you before don't try to play Rox

Coz creepin on me is where the bus stops

I used to give you props mad love and all that

Now I'm takin it back plus you aint all that

Coz it's about time for a brand new toy

So I'm movin on up from ex boy to next boy

And next time when you see me look good

Know what you're missin

Understood

Ex boyfriend

That's what you are to me again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

Ex boyfriend

Don't wanna have to see you again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

Ex boyfriend

That's what you are to me again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

Ex boyfriend

Don't wanna have to see you again

You think you're so slick but you're gonna miss this

Coz you know I found out you're creepin

My heart is breakin
