[Paula]

I'm gonna remember you  
You're gonna remember me

[the Dey]

I'm gonna remember you  
You're gonna remember me

[Paula]

I'm gonna remember you  
You're gonna remember me

[the Dey]

Yeah  
I'm gonna remember you  
You're gonna remember me

Yeah

You gonna remember me boo  
I'm gonna remember you too  
I can't forget all the crazy shhh.. we used to do  
You was doing to much  
I wasn't doing enough  
That's what your friends are saying  
You got a man anyway  
I can't explain it neither  
I ain't never wanna leave ya  
Hell ya its hard to walk away when I see you  
When I see you I remember the day  
You put your shoes on and moved on  
Before I could say

[Paula]

I saw you with your new girl just yesterday  
And I feel that I must confess  
Even though it kills me to have to say  
I'll admit that I was impressed  
Physically just short of perfection  
Gotta commend you on your selection  
Though I know I shouldn't be concerned  
In the back of my mind

I can't help but question  
Does she rub your feet  
When you've had a long day  
Scratch your scalp  
When you take out your braids  
Does she know that you like too  
Play PS2 till 6 in the morning  
Like I do

I can't explain this feeling (yeah)  
I think about it everyday  
And even though we've moved on (uh huh)  
It gets so hard to walk away  
(I'm gonna remember you, you're gonna remember me)  
Walk Away (forever you will live in my melody)  
Walk Away  
(I'm gonna remember you, you're gonna remember me)  
Walk away (I can't forget how we used to be)

Our life from day to day  
Hoping maybe you'll come back  
And though I tell myself not to be afraid  
To move on but it seems I can't  
Though a new man has given me attention  
It ain't the same as your affection  
Though I know I should be content  
In the back of my mind  
I can't help but question  
Does he kiss me on the forehead  
Before we play  
Show up on my doorstep  
With a bouquet  
Does he call me in the middle of the day  
Just to say hey baby I love you  
Like you used to

I can't explain this feeling (I can't explain)  
(Yeah)  
I think about it everyday  
And even though we've moved on (uh huh)  
It gets so hard to walk away  
(I'm gonna remember you, you're gonna remember me)  
Walk Away (forever you will live in my melody)  
Walk Away  
(I'm gonna remember you, you're gonna remember me)  
Walk away (I can't forget how we used to be)

[Paula and the Dey]  
I'm Gonna Remember You  
Your Gonna Remember Me  
The things we did  
The way we shared our fantasies  
Just you and me  
My friend, my love, my family  
How did we lose a love that seemed meant to be  
Sometimes I kiss her and wish that it was you I'm  
kissing  
Sometimes I miss him and wish that it was you I'm  
missing  
Sometimes I hug her and wish that it was you I was  
hugging  
And I realize how much I'm bugging  
I miss you

[Paula]  
So hard to express this feeling  
Cause nobody compares to you (to you)  
And you know she'll never love you like I do

(yeah)  
I can't explain this feeling (uh uh)  
I think about it everyday (yeah)  
And even though we've moved on (yeah)  
It gets so hard to walk away  
(I'm gonna remember you, you're gonna remember  
me)  
(Walk Away)  
Walk Away (walk away)  
Walk away  
(I'm gonna remember you, you're gonna remember  
me)  
(No I can't, I can't)  
Walk away (oh, oh, oh, oh)  
(I'm gonna remember you, you're gonna remember  
me)

I can't explain this feeling  
(Forever you will live in my melody)  
I think about it everyday  
And even though we've moved on  
(It gets so hard)  
It gets so hard to walk away  
(I'm gonna remember you, you're gonna remember  
me)  
Walk away  
(Forever you will live in my melody)  
(I gotta walk away)  
Walk away

(I'm gonna remember you, you're gonna remember  
me)  
Walk away

Ya ha

Yeah

I'm gonna remember you, you're gonna remember me  
(Remember you)

Yeah

I'm gonna remember you, you're gonna remember me  
(Ya ha ha hey)
