You're so wrong I've been long gone  
What did you think now?  
That I've been waiting by the phone?

My eyes wide open, my mind set  
I will be living like I want  
And you'll be all alone

There's nothing you can do now  
To change the fact  
There's nothing you can do now  
'Cause I'm not coming back

Made up my mind, mind, mind, mind  
This time I'm leaving behind-hind-hind-hind  
'Cause baby I just can't go on and on  
And I know that you will never let me go  
Well, you will never let me go  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)

I'm so right in the stroblight  
What did you think of now?  
That I'd be on my tonight?

I got my purse (check!)  
I got my girls (check!)  
And all your diamonds and your pearls gave me a fat  
check

There's nothing you can do now  
To change the fact  
There's nothing you can do now  
'Cause I'm not coming back

Made up my mind, mind, mind, mind  
This time I'm leaving behind-hind-hind-hind  
'Cause baby I just can't go on and on  
And I know that you will never let me go

Well, you will never let me go  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)

Made up my mind this time you see  
It's what's best for you and me  
Nothing left for us to show  
You would never let me go

Made up my mind, mind, mind, mind  
This time I'm leaving behind-hind-hind-hind  
'Cause baby I just can't go on and on  
And I know that you will never let me go  
Well, you will never let me go  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)  
Never gonna let me go (go!)
