Chorus:

Do you feel the same?  
Do you still believe?  
What we have remain,  
you know how I feel  
Do you feel the same?  
Do you still believe?  
What we have remain,  
you know how I feel  
Do you feel the same?

I remember, it feels like yesterday  
Close my eyes and everything comes back to me  
How you call my name, memories we make  
And our pictures in a frame  
Gave me all you got, gave and give a lot  
The summer time is hot, hot, hot!

Chorus:

Oh, oh summer night,  
never ever felt like that before  
I want some more,  
the best time of my life!  
In fact you're right  
...loving, that's what summer is for  
I want some more!  
Do you feel the same?  
Do you still believe?  
What we have remain,  
you know how I feel  
Do you feel the same?

While I'm dreaming, I need you once again  
The sun is shining...  
Kissing on the beach, dancing cheek to cheek  
In your arms I get so weak!  
Gave me all you got, gave and give a lot  
The summer time is hot, hot, hot!

Chorus: (x2)

Oh, oh summer night,

Never ever felt like that before  
I want some more,  
The best time of my life!  
In fact you're right  
...loving, that's what summer is for  
I want some more!  
Do you feel the same?  
Do you still believe?  
What we have remain,  
you know how I feel  
Do you feel the same?  
Same, same, same  
Oh, oh, oh  
Oh, oh, oh
