"Behind My Eyes"

Where do I go?
Is life all I know?
Is pain all I feel,
And time is here to heal?
And I'm watching from the other side

There was the start
The years have played their part
A child, soon a man
What's left of my plans?
And the quest goes on until the end

Who looks behind my eyes when I'm asleep?
Who looks behind my eyes when I'm down deep?

What makes me feel the way that I feel everyday?
Am I alive or dead on my lonely way?
And I'm going to meet my fate

Who looks behind my eyes when I'm asleep?
Who looks behind my eyes when I'm down deep?
Who looks behind my eyes when I'm asleep?
Who looks behind my eyes when I'm down deep?
