[music: breitenbach / lyrics: zur heide arranged by breitenbach]

... the Pardon Board refuses the acquittal of the murderer. Outside the courthouse there's a pro-death sentence demonstration and the people demand his annihilation ...

Turned down! Dead man in the dock  
The Pardon Board has done it's job  
I break down, guards lead me away  
I have lost the game

Outside people celebrate  
My day of death they can't await  
I shiver as I hear their words, again and again:

**CLEAN OUT THE BRUTE! ELECTROCUTE!**

How can I face my destiny?  
The Strap-down Team's awaiting me  
To end my life in chains and cells, a life in hell  
To pray for delay or clemency  
The last rites of humanity  
Is this what is left for me?  
I still hear them yell:

**CLEAN OUT THE BRUTE! ELECTROCUTE!**
