Here I stand, head in hand
turn my face to the wall
if, she's gone, I can't go on
feeling two foot small

Everywhere, people stare
Each and every day
I can see them laugh at me
and I hear them say

Hey, you've got to hide your love away (x2)

How can I even try?
I can never win
Hearing them, seeing them,
In the state I'm in

How could she
say to me, "love will find a way"?
gather 'round all you clowns
let me hear you say

Hey, you've got to hide your love away (x2)
