I want your body, baby
Your sexy lookin body
I need your lovin, lady
Ill make you feel right
I want your body, baby
Your sexy lookin body
I need your lovin, lady
Ill make you feel right

Let me sing my song
Its early in the mornin
Im thinkin bout you, baby
You notice that I want it tonight
And I can make it feel so right

You dont wanna say to me
But girl, I know
That I can be
The man youve been searchin for

Tender love that I cant deny (I cant deny it, baby)
I just want your love
Its the things you do for me, yes
I just want your love (Can you feel me)

I want your body, baby (Hey, hey...)
Your sexy lookin body (Sexy lookin body)
I need your lovin, lady (Yeah...)
Ill make you feel right (Ill make you feel right,
make you feel right)

I want your body, baby (Want your body, baby)
Your sexy lookin body (Sexy lookin body)
I need your lovin, lady (I need your lovin, lady)
Ill make you feel right (Ill make you feel right,
make you feel right)

I like the way you move
It puts me in the mood for love
Cause baby, its your love that I want
And Ill do anything for you, yes, I will

Ill touch you there
Touch me everywhere
If I want your body, babe
Body, babe, body babe

Tender love that I cant deny (Cant deny, cant deny)
I just want your love
Its the things you do to me
I just want your love (I just want your love)

I want your body, baby
Your sexy lookin body
I need your lovin, lady
Ill make you feel right (Ill make you feel right)

I want your body, baby (I want your body, baby)
Your sexy lookin body (Sexy lookin body)
I need your lovin, lady
Ill make you feel righ
