In the back of the class
Where the gum is chewed
Sits a little girl at her desk
She's lookin' so enthused
She twirls her finger in her hair
She needs a cigarette
Not bad for 14 years
Almost a total wreck

It's a shame I guess
She's a high school mess
She's so Young and Dumb
Young And Dumb
She's so Young And Dumb
Young And Dumb

All the teachers get so mad
You know her mother cries
She's just havin' fun with the kids, now
Don't want to sleep all night

It's a shame I guess
She's a high school mess
She's so Young and Dumb
Young And Dumb
She's so Young And Dumb
Young And Dumb

She's just havin' fun
Doesn't hurt no one

In the back of the class
Where the gum is chewed
Sits a little girl at her desk
She's lookin' so confused
She doesn't hear what the teacher says
She feeds a cigarette
Not bad for 14 years
Almost a total wreck

It's a shame I guess

She's a high school mess
She's so Young and Dumb
Young And Dumb
She's so Young And Dumb
Young And Dumb
She's so Young And Dumb
Young and Dumb
She's so Young And Dumb
Young and Dumb
She's so Young And Dumb
Young and Dumb
She's so Young And Dumb
