There is a suitcase and a heartache
She was thinkin' of leaving

But she unpacks and goes back to him
'Cause in her mind it's the last time
So he gets by with a bad lie
And she needs to believe him again

A woman loves beyond her questions
Her heart will lead and she will follow
And dreams beyond her doubts
Even when there's no way out

Her eyes refuse to see the danger
As she walks right through the fire
A man gives himself to passion and desire
But a woman loves

In the mornin' lying' next to him
Goin' crazy thinkin' maybe it's her fault
She'll be weeping while he's sleeping
Maybe one night in the moonlight

She'll touch his hand and he will understand
How it could be, how it should be after all

A woman loves beyond her questions
Her heart will lead and she will follow
And dreams beyond her doubts
Her eyes refuse to see the danger

Even when there's no way out
As she walks right through the fire
A man gives himself to passion and desire
But a woman loves

A woman loves beyond her questions
And dreams beyond her doubts
Her heart will lead and she will follow
Even when there's no way out

Her eyes refuse to see the danger

As she walks right through the fire
A woman loves
A man gives himself to passion and desire
But a woman loves
