You packed in the morning I stared out the window
and I struggled for something to say
you left in the rain without closing the door
I didn't stand in your way.

But I miss you more than I missed you before
and now where I'll find comfort, god knows
'cause you left me just when I needed you most
left me just when I needed you most.

Now most every morning I stare out the window
and I think about where you might be
I've written you letters that I'd like to send
if you would just send one to me.

'Cause I need you more than I needed before
and now where I'll find comfort, god knows
'cause you left me just when I needed you most
left me just when I needed you most.

You packed in the morning I stared out the window
and I struggled for something to say
you left in the rain without closing the door
I didn't stand in your way.

Now I love you more than I loved you before

and now where I'll find comfort, god knows

'cause you left me just when I needed you most

oh yeah you left me just when I needed you most

you left me just when I needed you most
