Standing there at the Red Sea
God's people began to complain,
"Soon Pharaoh and his mighty army
Will take us in bondage again."
"Stand still and see the salvation of the Lord," Moses
cried
Then God parted the waters
And they crossed to the other side

Chorus
God delivers again
Oh my God delivers again
Just when things look hopeless
He reaches down His hand
Then all the forces of evil
Have to flee at His command
Just when things look hopeless
My God delivers again

Verse 2
"We'll never bow to your idols,"
The three Hebrew children proclaimed
So the king gave the command to
Throw them into the flame
The king said, "Did we not cast three men into the
furnace bound?
I see four men loose in the fire unhurt and they're
walking around."
