..why you do this?  
I do it cause I can, I do it cause I'm nice,  
I do it for the money, I ain't do it for the lights!  
I do it cause it being in soul if I didn't!  
To all my ancestors that died trying  
You don't do it like me, what you real niggers,  
I can't fight with me, what you all niggers,  
Homie I do it, that's,  
I will get cause , I won't plan, watch me do it!  
I do it for Chicago, I do it for..  
I used to just do it for,  
I do it for the murder, yeah boy, west side,  
A do it for a league, I do it for,  
..easy dealing and ta, ta,  
It was all a dream, nigger,  
These niggers got whole states, but they ain't saying  
nada,  
What you're doing, ?  
You don't think I should I do it,  
Doing like, start a revolution.  
I wanna make a change now I can do it with my music,  
I'm trying to do the best, I don't do it for my  
amusement!  
Now, what are you doing? Laughing?  
..blowing hot air, they're bluffing!  
The niggers scared to be themselves,  
Turn your back on 'em, nigger, they,  
Oh, 'em boys can't keep up,  
My pedals to the.. while 'em boys got feed up!  
I do it for the people, now I'm about to turn the heat up,  
I'm trying to mail everything, nigger, put your skis on!  
,I'mma do it 'till the cows come home!  
Shitting on these niggers 'till my balls are gone,  
I'mma keep shooting 'till .. all gone!

Chorus:

I do it, uh, uh, I do it that's right!  
I do it, uh, uh, I do it!  
You do it cause you got it boy,  
I do it cause I'm nice!  
I do it for the money and you do it for the lights!

Yeah, boy! I do it, uh, uh, I do it that's right!  
I do it, uh, uh, I do it!  
I do it for Chicago, the whole South,  
I do it for your city, throw your hands up high!

Let me ask you a question!  
What you're do it for?  
Did you do it out of love, or was it just for show?  
You better watch yourself boy,  
You judge a book by its cover, you gonna miss a few!  
Now ask yourself, did you do it over a bitch, nigger?  
If you can't look him in his ass, then you're a bitch,  
nigger!  
And if you get it on, then you're a snitch, nigger!  
,you did it, 'till you flip nigger!  
Get a grip, nigger!  
My heart bolding with thoughts, my heart bolding with  
passion!  
..and shoot light!  
..get it? that's why I do it, cause you probably did it!  
Get it, or you will?  
Papers.. Mike Jackson type of,  
Do it like,  
It's all about the.. it's all I do it for,  
I do it for my family, now what you're do it for?

Chorus:  
I do it, uh, uh, I do it that's right!  
I do it, uh, uh, I do it!  
You do it cause you got it boy,  
I do it cause I'm nice!  
I do it for the money and you do it for the lights!  
Yeah, boy! I do it, uh, uh, I do it that's right!  
I do it, uh, uh, I do it!  
I do it for Chicago, the whole South,  
I do it for your city, throw your hands up high!
