ft. Lambo Lux

Pockets looking like I got fat knots
Having too much fun for you half nots
No bullet wounds but she got ass shots
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot

She told you how I pull up in that black drop, yeah
She told you how I took her to the trap spot
She told you that my neck was...
Flash screens on the wall make them levitate
She said them niggas getting money
She said you niggas looking hungry
I don't know her but I just spent 10g
Got her to the crib now she acting real friendly
Hair and nails done, looking like a true diva
No pompoms girl you still a cheerleader
Bet she repping my team like a mascot
Battlearm around you bitch, neck like an asscot

Pockets looking like I got fat knots
Having too much fun for you half nots
No bullet wounds but she got ass shots
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot

Bitch, fuck you doin? Make that ass pop
Better represent, like a mascot
Lightskin, red bone mulado
Miss mascot is only right she sip moscato
Clip full of hollows, whip full of models
Pocket full of money, table full of bottles
Big titty girl daddy parting
Make a nigga hustle hustle man like Martin

Ass on the cotton cause I killed the pussy killed the
pussy
Dick her down good and then I build the pussy
Literally money over bitches,
We hit the strip club and throw some money on them
bitches
Paper!

Pockets looking like I got fat knots
Having too much fun for you half nots
No bullet wounds but she got ass shots
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot
Like a mascot, like a mascot
Your bitch is repping my team like a mascot
