Oh that's my shit  
.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond

Nigger I am fly shit  
Your girl that's my bitch  
.. and we wonder why record sale is ..  
I am a nightmare bitch .. tell the Illuminati I am a Mason  
.. put my eyes on like ..  
And I bought my whole .. with me  
Controversial commercial with means my first single ..  
They said I shouldn't have  
Bitch I got to

.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond  
.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond

Old school .. real life don't alarm me  
.. I guess I am charming  
Oh that's my shit .. that's my shit  
All this cause I didn't notice your shit  
.. bitch I am a product of the 90  
.. you don't understand where my mind be  
.. old rap niggers don't try me  
I ain't saying I am the nicest out ,

.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this

That's what pay beyond  
.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond

She said pay for your flat  
This old plan  
Pay for your shin  
This old ring  
She is a hell of a class ,  
Nigger play me I am .. don't even think

..  
.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond  
.. world wide  
Oh that's my shit  
Your man hit it wrong  
Oh well suck this  
That's what pay beyond
