Yeah, yeah, yeah
I release this
Nigger, I release this!
Yeah, look, I'm from ..truly get stashed
Niggers like what up? Phony and blast
On that.. on that cash
Sunday morning see the preacher,
for you end up like...see the...
..stick to you like...
We drop out at sixteen
The... of black nine
You're facing twenty five before you see twenty five
I'm talking gangstas and
..conservative, he a traveler.
Different city, different state, but the same old block
The slaying crack... it got a wicked jump shut.

I release this, nigger it's... chicken in every corner
I release this, niggers be flipping chickens in every
corner
Lil niggers run upon you, and they don't know a
nigger...
But down means shit, if they don't know you...
Summer time craze... can't parade
Spotted out of town, is out here looking for a taste
Afghanistan nigger, it's Iraq, twisted
..part of the reason that I ran
and don't be acting like you run it..
And when the feds come, swallow your worth!
Get out of there, you niggers be shooting like Vladimir
... ain't no way you could win.
I'm from the other side,
where the other guys don't walk too much
... we don't talk too much.
See the local boys in the hood is stars to us
So make sure it's ... and part to us
I'm from ...to the right or the left
..argue who's the biggest gangster...
I'm on that bullshit like D rose
In case you forget, I'm from Chicago.
