All we are

All we are, we are

We are all, all we need

All we are

All we are, we are

We are all, all we need

There's beauty in the heart of a beast

Fear behind the eyes of a thief

In know, you know we're incomplete

Lets get together

And lets get some relief

chorus

Stronger than a mountain of steel

Faster than hell on wheels

We've got we've got all the power we need

Lets build a playgroupnd on this old battlefield

chorus

No we're stronger

We no longer want you bringin' us down

We've got the magic

So we're gonna spread the magic around yeah!

- solo -

Now we're stronger

We no longer want you punshin' us

chorus

chorus

All we are

We are all, all we need
