Hey you - whatcha gonna do?
Whatcha gonna do tonight?
Stand up and let it out
Metal rock is here tonight!
In the streets a wave of heat
Burning half the town..
Let's finish the day
In a rocking good way!
Out of hell and out of fire
The night is filled with dark desire
Metal sounds will take you higher
Listen to the beat all through the night!
When you get here
You will see the light
And sounds will heat up
The heat of the night
Earthshaker rock
Come on, sweet earthshaker rock
Let me make you feel all right
State of shock - metal rock
It's all right!
Higher, higher
Set your light on fire
You get higher
Bang your head, bang your head!
When you get here
You will see the light
And sounds will heat up
The heat of the night
Earthshaker rock
Heat of the night
Earthshaker rock
Come on, I make you feel all right
Earthshaker rock!
Earthshaker rock
Come on, sweet earthshaker rock
Come on, baby, I make you feel all right!
State of shock - metal rock
Metal rock!
Earthshaker rock
Earthshaker rock
Come on, come on, come on, come on, metal rock

State of shock - metal rock
Metal rock!
Metal rock
Metal rock!
