Take me down
I'm ready for another ride underground
I need your love, baby
To take me down
Snake in the grass
A good, good girl
I am the queen of the night
I need a man of action
Ready to set me free

Take me down
Where solar fires shake the ground
Just take me down
To solid walls of sound

I'm a lady in a rock 'n' roll hell
I'm a lady under a spell
I'm a lady in a rock 'n' roll hell
A lady!
Rockin' angel under a spell
Yeah!

Music and lights
My kiss is fire and ice
My body and soul
Are chains for eternity

I need a man, a rock of steel
No "blue jean baby" at my chariot wheel
I need a man of action
Ready to set me free

Take me down
Where solar fires shake the ground
Please take me down
To solid walls of sound

I'm a lady in a rock 'n' roll hell
I am a lady under a spell
I'm a lady in a rock 'n' roll hell
I'm a lady under a spell
Yeah!

I'm a lady in a rock 'n' roll hell
A lady!
I'm a lady under a spell
Oh yeah - rock 'n' roll hell!
