Takes a lifetime of battle
To wipe down this slate
but don't really matter
I'm a soldier of fate
Takes a lifetime of pure desire
A passionate saint
To watch the children lie dying
Outside of heavens gate
My heart is a lion
That no one can tame
But I'm falling I'm falling
I'm falling in love
Oh love don't let me walk away from
Love don't let me be afraid of
Love don't wanna fade without love
Oh I must make time for love
I'm standing on a field of fire
I'm rolling thunder
No one can save
But it don't really matter
To a fortunate slave

The flames getting higher

I pray for rain

And I'm falling

I'm falling, I'm falling in love

Oh love don't let me walk away from

Love don't let me be afraid of

Love don't wanna fade without love

Oh I must make time for love

- solo -

And my heart is a lion

That no one can tame

But I'm falling

I'm falling, I'm falling in love

Oh love don't let me walk away from

Love don't let me be afraid of

Love don't wanna fade without love

Oh I must make time

Love don't me walk away from

Love don't let me be afraid of

Love don't wanna fade

Without love

Don't let me walk away

Don't let me be afraid

Don't let me walk away

Don't wanna fade without love

without love
