See the evil signs  
See some bloody crimes  
Now hell's just begun  
Satan's having fun  
Every house in the street  
Has evil seeds  
The nature of the beast  
Is in our breast  
See some children cry  
See young women die  
In your neighbourhood  
Streets are full of blood  
Every house in the street  
Has evil seeds  
The nature of the beast  
Is in our breast  
Watch out  
No-one will listen to your  
Watch out  
Crying  
Watch out  
No-one will listen to your  
Watch out  
Dying  
See some madman's eyes  
They tell you no lies  
A million little knives  
Destroy a million lives  
Every house in the street  
Has evil seeds  
The nature of the beast  
Is in our breast  
Watch out  
No-one will listen to your  
Watch out  
Crying  
Watch out  
No-one will listen to your  
Watch out  
Your dying  
Watch out  
No-one will listen to your

Watch out  
Crying  
Watch out  
No-one will listen to your  
Watch out  
Your dying  
Watch out!
