As I walk this land of broken dreams

I have visions of many things

but happiness is just an illusion

Filled with sadness and confusion

What becomes of the brokenhearted

Who had love that's now departed

I know I've got to find some peace of mind, baby

the roots of love grow all around

But for me they come a tumblin' down

Every day heartaches grow a little stronger

I can't stand this pain much longer

I walk in shadows searching for light

Cold and alone, no comfort in sight

Hoping and prayin' for someone to care

Always movin' and goin' nowhere

what's become of the brokenhearted

Who had love that's now departed

I know I've got to find some peace of mind, help me

I'm searching though I don't succeed

but someone's love there's growing need

If there's no way

all is lost there's no place for a beginning

All that's left is an unhappy ending

now what's become of the brokenhearted

Who had love that's now departed

I know I've got to find some peace of mind

I'll be searching everywhere

Just to find someone to care

I'll be looking everyday

I know I'm gonna find a way

Nothing's gonna stop me now

I'll find a way somehow

I'll be searching everywhere

Lookin' for someone to share
