I believe in miracles and I believe in god  
I believe in Santa Claus and I believe in love  
I believe in fairy tales I do believe in good  
I believe in comedy and I believe in me

On my coloured days  
On my coloured days

I believe in angels and I believe in peace  
I believe in prayers and I believe in dreams  
I believe in reason, I believe in what I read  
I really do believe

On my coloured days  
On my coloured days

I'm a caveman  
I'm a caveman  
I'm a caveman comin' out

I'm comin' out

I wanna touch, I wanna feel  
I pick whatever I might need  
And I wear a crown, I wear a crown  
Cuz' everything was meant, meant to be for me

On my coloured days  
On my coloured days

I'm a caveman  
I'm a caveman  
I'm a caveman comin out

All was meant for me  
All was meant to be  
All was meant for me  
I'm comin' out  
I'm comin' out  
Cuz' all this was all meant to be for me

I'm a caveman  
I'm a caveman  
I'm a caveman comin' out
