Instead of beating me up
You should be giving me hope
Instead of bringing me down
You should be lifting me up

Instead of starting the fire
You should be heating things up
I'd never leave you there screaming for my love

Instead of beating me up
You should be giving me hope
Instead of bringing me down
You should be lifting me up

Instead of starting the fire
You should be heating things up
I'd never leave you there screaming for my love

Instead of starting the fire
You should be heating things up
I'd never leave you there screaming for my love

I will never leave you there screaming for my love
I will never leave you there screaming for my love
I will never leave you there screaming for my love
I will never leave you there screaming for my love
