It's a big job just gettin' by with nine kids and a wife  
But I've been a workin' man dang near all of my life  
And I'll keep on workin' long as my two hands're fit to use  
use  
Hmm I'll have a little fun on the weekend sing a little bit  
of these workin' man blues  
I'll keep my nose on the grindstone work hard everyday  
I might get a little tired on Friday after I draw my pay  
But I'll go back workin' come Monday mornin' I'm right  
back with the crew  
Yeah I'll have a little fun on the weekend sing a little bit  
of these workin' man blues  
Sometimes I think about leaving do a little bummin'  
around  
I wanna throw my bills out the window catch a train to  
another town  
But I go back workin' gotta buy my kids a brand new  
pair of shoes  
Have a little fun on the weekend cry a little bit of these  
workin' man blues  
(Here comes that guitar pickin' workin' man)  
[ guitar ]  
Well hey hey workin' man workin' man like me  
I ain't never been on welfare and that's one place I  
won't be  
I'll be workin' long as my two hands are fit to use  
Hmm I'll have a little fun on the weekend sing a little bit  
of these workin' man blues  
(This song's for the workin' man)
