Your love is trying to leave me yet again  
And oh, I thought I was a friend  
Your love  
It's gonna kill me yet again  
And I'm bleeding out for you  
And oh

Well, I hope that you can see  
That nothing means more to me  
Than you and I holding on  
To all that we can be  
And I'll do anything  
As I lay myself out for you  
Anything  
Just to see you smile again  
Just to see you smile again

Your love  
Oh, it's sending me away  
And oh  
I need another day

Well, I hope that you can see  
That nothing means more to me  
Than you and I holding on  
To all that we can be  
And I'll do anything  
As I lay myself out for you  
Anything  
Just to see you smile again  
I want to see you smile again
