I could spend my whole life just trying to spend yours  
with you  
But it's my heart on my dime  
I've got my own demons too  
Nothing falls into place when you got nothing to lose  
So don't come crawling my way when no one's falling  
for you  
But I fall for you...

I need help  
I need faith  
I need hope  
I need praise  
I need you  
(Nobody comes through)  
I need help  
I need faith  
I'm in hell  
I'm in pain  
I need you  
(Nobody comes through)  
But nobody comes through

You spend your time killing my kind  
Because I'm not made of you  
Too gone and too hard to find  
Since I stopped playin' your fool  
Nothing falls out of grace when you got nothin' to prove  
So don't go calling my name 'cuz I ain't calling for you

I need help  
I need faith  
I need hope  
I need praise  
I need you  
(Nobody comes through)  
I need help  
I need faith  
I'm in hell  
I'm in pain  
I need you

(Nobody comes through)  
But nobody comes through
