With the morning sun
And the danger done
I'm a wasted life
All I own I owe to you
When my mourning takes
All those boughs we break
I can make it right
All the while, all the while

Because I'm worth defending
I'm workin' on another try
Oh, I'm worth defending
Mama, won't you show me why
Ooh, why

All these darkened days
Disheartening games we play
Please no more hating lies
I'm just a child
I'm your child

Oh, I'm worth defending
I'm workin' on another try
Oh, I'm worth defending
Daddy, don't you make me cry

All those times you told me
I'm the one to throw away
You were wrong
I had to take the time to let you make your own
Mistakes
You know I still belong
Oh, I still belong
All I know, I feel it deep in my heart
I don't wanna fight
I need you here to lift me though my sorrows
And I will rise, oh rise

Because I'm worth defending
I'm workin' on another try
Oh, I'm worth defending

Mama, won't you show me why

Oh, I'm worth defending

I'm workin' on another try

Oh, I'm worth defending

Daddy, don't you make me cry
