Sweetness, you got a tap in your heart
Sweetness, you got a tap in your heart
I sip I sip , I'm stumbling home
I sip I sip , I'm stumbling home
I sip I sip , I'm stumbling home
I sip I sip , I'm stumbling home

Sweetness, you got a church and steeple
Sweetness, and I'm drinking your wine
You got me singing, singing your choir
You got me singing, singing your choir
You got me singing, singing your choir
You got me singing, singing your choir

'Cause I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love

Sweetness, we see the exact same sunrise
Sweetness, we see the exact same sunrise
On different sides, yeah, sides of the morn
On different sides, yeah, sides of the morn
On different sides, yeah, sides of the morn
On different sides, yeah, sides of the morn

'Cause I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love
I'm drunk, I'm drunk on your love

Sweetness, sweetness
Sweetness, sweetness
