Final Heartbreak
Performed by Jessica Simpson

It's all about the way you're feeling
Deep in your heart
When she let you go
I don't doubt you care
Believe that
It tears you apart
What'cha didn't know
Someday you'll remember
Why you fell for her
Why you said goodbye
Don't let your broken heart keep forever mending
And miss out on love that is never ending, yeah

This could be your final heartbreak
I could show you what good love takes
Never say goodbye
Never make you cry
Yeah this could be your final heartbreak

This could be your final heart
Your final heartbreak

I don't want to take advantage
Or maybe I do
And I know it's true
That I can help undo the damage
All of the hurt
That she did to you
You need someone you can talk to
Someone who feels the same
About everything you do
And I could be the one to make you forget her
I wanna be the one to make you feel better, yeah!

This could be your final heartbreak
I could show you what good love takes
Never say goodbye
Never make you cry

Yeah this could be your final heartbreak

I'll let you feel a love so real

I'll let you know

Oh, I gotta let you know

You will forget

She will regret

Letting you go

I will not let you go

This could be

This could be your final heartbreak

I could show you what good love takes

Never say goodbye

Never make you cry

Yeah this could be your final heartbreak
