When You Love
Performed by Sinead O'Connor

Close your eyes
Leave the world behind
Find a place
Deep inside
Where you imagine
That love never dies

In the night
When you reach for me
In your heart
Hear my sigh
Now and forever
Will you remember

When you love
You're not alone
The one you love
Is there beside you
Never lost
Or on your own
A gentle hand
Is there to guide you

Like the sun
I am shining down
Through the vale
Through the clouds
When you can't see me
You must believe me
That

When you love
You're not alone
The one you love
Is there beside you
Never lost
Or on your own
A gentle hand

Is there to guide you
