You will always be my baby
I will always think of you baby

Yeah...
Yeah...
Hah...
Ooh...

Touch me in the morning
And last thing at night
Keep my body warm baby
You know it feels right
Take it a little higher
I'm faking it too
Tell me not to be there
I'll feel it with you

We can only understand what we are shown
How was I supposed to know I'm the control
We can only understand what we are shown
How was I supposed to know I'm the control

Move a little closer
And show how we get up
Feel it with your lover
I need you so much, I need you so much, I need you so
much...

Yeah...
Ooh...
Ooh...
Ah...

We can only understand what we are shown
How was I supposed to know I'm the control
We can only understand what we are shown
How was I supposed to know I'm the control

Touch me in the morning
And at me at night
Keep my body warm baby

You know it feels right
Take it a little higher
I'm faking it too
Tell me not to be there
I'll feel it with you
Feel it with you...

Hah...
Yeah...
Ooh..... (touch me in the morning)
Ooh..... (and touch me at night)

I need you so much...
Tell me not to be there... (what you're feeling)
I'll feel it with you

Hah...
Hah...
Haha...
Haha...
Ooh...
Haha
Yeah...
Hah...
Hah...

We can only understand what we are shown
How was I supposed to know I'm the control
You touch my heart
I touch you baby
My heart is reaching for you...
I'll taste your love and take your chances
I'm craving for you...

Touch me in the morning

Move a little closer
Move a little closer
Move a little closer
Closer, ooh... (move a little closer)
I'm perfect with you
I'm perfect with you
I need you baby
I need you so much
You touch my body's special places
My heart reaches for you...
