Dead Reflections

My casket stands alone in the rain  
Even after I'm gone, I'm forgotten and ignored  
I never thought it would end like this  
I had nothing to give, the world abandoned me

So I just threw it all away  
I couldn't take another day  
This was meant to be

I hoped I'd leave a legacy  
I guess it was only a dream,  
A wish left unfulfilled.

Where did it all go wrong for me?  
I guess I was blinded by pain  
That burned inside my heart

So I just threw it all away  
I couldn't take another day  
This was meant to be

I'm soaring high above the clouds,  
Where the rain can't fall upon my dreams anymore

I step into the afterlife  
And start all over again  
The beginning of my end  
I'll make some changes on my way  
So they'll remember me now  
As it's drawing to a close

So I just threw it all away  
I couldn't take another day  
This was meant to be

I'm soaring high above the clouds  
Where the rain can't fall upon my dreams anymore

And overhead I see a light  
It is pulling me so close

I feel so heavenly

I'm soaring high above the clouds  
Where the rain can't fall upon my dreams anymore

And overhead I see a light  
It is pulling me so close  
I feel so heavenly
