Every move I make, I make in you
You make me move, Jesus

Every breath I take, I breathe in you

Every step I take, I take in you
You are my way, Jesus

Every breath I take, I breathe in you

Waves of mercy, waves of grace
Everywhere I look I see your face

Your love has captured me
O my God, this love, how can it be?

La la la la la la, la la la la la la la la
La la la la la la, la la la la la la la la

Additional spontaneous lyrics:
(First verse opens without Jesus at the end of lines.)
How can it be, oh, that this God would love me, love me?
What kind of king would empty himself?
What kind of king would give it all away, to love me?
Oh, I must know, I must know this love!
How can it be?
.. My heart sings ... Oh, is this a dream?

Jesus, Jesus, its You, Jesus
My heart would sing Your name,
Sing Jesus

Notes:
This song was first sung in South Africa in March 1996, but then it was called Waves of Mercy. The part of the tune between the verse and chorus sung to La la la la la

la la, La la la la la la la la etc, was not yet written, and we ended it with just Jesus and not the other additional words.
