Pass da 4-5th and load up the cartridge E Reved up da

We about to blow out like bitchez wit bad kidz

Once u feelin da slugz hit Datz as real as it gets

Then you wonda

Why da quake can come from unda-neath,

while you figure it out You on da streetz

Laid out wit da gun still stuck in yo mouth

Fuckin wit Ja is sittin Niggaz fearfully doubt

Cuz I don't give a fuck I don't give a fuck,

God may ask from yo prayer so my soul don't die

These is real tears I cried And dreamz don't lie

When they tell me dat I'm doin good in da devilz eyez

But I preach to Ima be dat same, Nigga put da heat to
Im

Askin E Dub what da fuck you wan do to Im

[E-Dub]

E-Dub and Ja An eye for an eye,

Gat for a gat Peep game,

Cover the mic and spit flamez

Two cats who come strapped, self contained

Ain't shit this raw since

Big Daddy Kane, Heavyweight,

I knock a Nigga out in two Put him to sleep,

see dreamz and swear it wasn't true

Look at you, lame, I'm iller, rhyme killa,

Comin thru like da return of Godzilla

[Ja Rule]

Ja and E-Dub Now can I tell ya

E and Ja top doggz, Def Squad,

Fuckin wit us is like, suicide,

Bow down, real niggaz on da move

comin thru blazin you

Cuz we are, livin life

Thug style, Hennessy, Blazin treez,

Getting G's, indeed,

Cuz we will do or die

Right now by any meanz

Words is bond word is bond

[Ja Rule]

Ain't nobody touchin da ground dat I walk on

My love, It's just so strong

If you crossin me you dead wrong

And you know cuz you feel it in yo heart, nigga

And you don't sleep cuz yo soul might fall apart, nigga

If you feelin me now

The strength got you settlin down

We puttin in work

In otha words we puttin in roundz

Take two for now Ja and E-Dub

Strictly for the love

We fuck hoez and bust slugz, Nigga

Why in da world would you put me in da position

To put niggaz out of commission, love, willin and wishin

Cuz I'm feelin the need to cut off da air dat you breathe

By any means it's Ja and E no in between

[E-Dub]

Now we move agile You and yo niggaz is fragile

Like glass and UPS boxes Shit watch this Still housin

The year 2000's now So fear this or we in yo face
niggaz, blauu

[Ja Rule]

Ja and E-Dub Now can I tell ya

E and Ja top doggz, Def Squad,

Fuckin wit us is like, suicide,

Bow down, real niggaz on da move

Cuz we are, livin life

Thug style, Hennessy, Blazin treez,

Getting G's, indeed,

Cuz we will do or die

Right now by any meanz

Words is bond word is bond

[Ja Rule]

Now what I love is to see my niggaz on top

And I feel that we can't be stopped

And my life don't mean shit to me

But my life gon make history

Feel me, a nigga ain't supposed to be

As deadly and you ain't even close to me

Respect me, cuz we livin dangerously

Luv me, cuz y'all can't even Fuck wit me

[Ja Rule]

Ja and E-Dub Now can I tell ya

E and Ja top doggz, Def Squad,

Fuckin wit us is like, suicide,

Bow down, real niggaz on da move

comin thru blazin you

Cuz we are, livin life

Thug style, Hennessy, Blazin treez,

Getting G's, indeed,

Cuz we will do or die

Right now by any meanz

Words is bond word is bond
