Where would I be without my baby
The thought Alone Might break me
AND I dont wanna go crazy
But every thug needs a lady
Girl In this life, you and I been more than together,
Inseperable you chose pain over pleasure
For that you will ever be a part of me,
mind body and soul theres no I in we baby
When you cry who wipes your tears,
when you scared who's tellin you theres nothin to fear
girl I'll always be there, when you need a shoulder to
lean on
never hesitate, knowin you can your soul mate
and vice versa and thats why I'll be the first to see J up
and frost your wrists up
now ya owe me, I know you tired of bein lonely, so baby
girl put it on me
Where would I be without you, I only think about you
I know your tired of bein lonely, so baby girl put it on
me..
Where would I be without you, I only think about you,
I know your tired of bein lonely, so baby girl put it on
me

AND I appreciate the rocks and gifts that you copped
me baby,

and the house on the hill when you dropped like 80

on the down payment thinkin damn aint life crazy

and ever since for my hunny I've been twice the lady

What would I do without the nights that you kept me
warm

When this cold world had a girl caught in the storm

And I accept when u riff, when you caught in the wrong

And respect when you flip cuz our love is strong

AND when you hit the block, I watch for 10 fold

and when my pops asleep you snuck in the back door

baby beau we been down since junior high

so when life get hot as july its the world against you
and I

We ballin tied forever and ever

Heart from the heart knew that it would last forever

When you told me, you would never leave me lonely,

so baby boy put it on me

Where would I be without you,

I only think about you

I know your tired of bein lonely,

so baby girl put it on me

Repeat: where would I be without you

Since we met its been you and I,

a tear for a tear baby eye for an eye

and you know that my heart gonna cry

when you leave me, lonely
cuz you not just my love you my homie
who's gonna console me, My love
I'm out a control hold me, My love
cuz I'm yours, and I dont wanna do nothin to hurt my
baby girl
if this was our world, it'd be all yours baby,
the thought alone might break me,
and i dont wanna go crazy,
cuz every thug needs a lady
feelin you baby cuz them eyes aint right, wash away
the tears
baby no more cryin baby,
and you complete me, and I would die if you aint with
me,
so baby girl put it on me
Where would I be without you
I only think about you
I know your tired of bein lonely,
so baby girl put it on me
repeat that part, (3
