in these muthafuckas eyes did you see it?  
I'm gripping these curbs  
Skuur, did ya heard

Chicken heads on the prow  
Who you trying fuck now  
Naw you ain't getting loud  
Better calm down for I smack your ass down

[Chorus]

[Missy]

Just wanna see who I am fucking boy  
Sniffing some coke  
I know by the time I finish this line I'm a hear this on the  
radio

[Ludacris]  
Yeah, uh huh, okay  
Once upon a time in College Park  
Where they live life fast and they scared of dark  
There was a little nigga by the name of Cris  
Nobody paid him any mind  
No one gave a shit  
Knowing he could rap  
No one lifted a hands  
So he went about his business and devised a plan  
Made a CD and then he hit the block  
50 thousand sold  
Seven dollars a pop  
Hold the phone  
Three years later

Steeped out the swamp  
With ten and a half gators  
All around the world on the microphone  
Leaving the booth smelling like Burberry cologne  
Still riding chrome  
Got bitches in the kitchen  
Never home alone  
And he's on the grind  
Please let me know if he's on your mind  
And respect you'll give me  
Ludacris I live loud just like Timmy  
Fuck, have to clear these rumors  
I got a headache and it's not from tumors  
Get up on my lap and get my head sucked tight  
Sprayed so I never let the bed bugs bite  
Hard to the core  
Core to the right  
Drop down turn around pick a bale of cotton

[Chorus]

[People in the background chatting]  
Yo, straight up Missy killed that shit tonight for real  
I know I know, I don't even care about her being  
pregnant by Michael Jackson  
You know what we should do  
We should go get her album when it comes out  
There she go, there she go, there she

[Missy]

lights won't get cut off

the after party
