Whenever I'm down then you come around
And you make me feel like a man

There's nothing like the touch of my woman
To make me feel warm and proud inside
Anytime I need two arms around me
Well, I found me a heaven to hide

'Cause you make me feel like a man
I light up with a touch of your hand
Whenever I'm down then you come around
And you make me feel like a man

Anytime I need two arms around me
You whisper and say I'll understand
Then it won't be very long until you've made me strong
And life is worth living again

'Cause you make me feel like a man
I light up with a touch of your hand
Whenever I'm down then you come around
And you make me feel like a man
