[Run]

Yo! D.. J.. Run! D.. Mmmmmmm C!  
Yeah, what? Kings, of, rock!  
Yeah, yeah, yeah, yeah!  
Echo tech, b-boy down..

I wanna rock right now  
DJ Run and I'm claimin my crown  
I be internationally known  
Even got chrome on my microphone  
I ain't stupid, y'all outrageous  
actin like Run can't rock all ages, so  
DON'T, act like y'all don't know  
Run been rockin since Kurtis Blow  
Me and my brother been gettin this dough  
Came in the do', said it befo'  
These are the kings from around the way  
Run-D.M.C. and Jam Master Jay..

{\*scratched: "I'm the king.. of rock!"\*}

[Stephan Jenkins]

Alright, never lose your flow  
In the end it's just a rock show  
Alright, alright, alright  
In the end it's just a rock show

[Run]

Y'all wanna know what it takes to be  
an MC like D in the place to be  
and got a house on the hill for my family  
with the grass more green than a gram of weed  
Stars in the cars on the way to my show  
Gettin rah at the bar when they drinkin the Mo'  
With a cigar in the palm steady gettin the dough  
Ain't nuttin changed but the lane and the Range a Rove'  
Just, cause y'all know my name  
Heard my fame and seen my game  
Don't mean I'm all about the glitter and flam  
The king of rock is who I am  
Raw, we are, by law

First one rockin these Adidas y'all saw  
Jumped on tour way back in eighty-four  
Jay, Run, D. Mac smack back up at your door

[Stephan Jenkins]  
Alright, never lose your flow  
In the end it's just a rock show  
Alright, never lose your flow  
Cause in the end it's just a rock show  
Alright, never lose your flow  
Cause in the end it's just a rock show  
Alright, alright, alright  
In the end it's just a rock show  
Alright, alright, alright  
In the end it's just a rock show

Hey y'all it's me from the Three Beezies  
N.Y.C. is sucker free just to show y'all it could be done  
Step up and funk everyone  
And we're out..  
You can't touch this, you can't touch this, can't touch  
this  
You can't touch this, you can't touch this..
